Design Details

For this assignment, you will find (or take) three photos of people modeling clothes (no lingerie or swimwear).

A. Copy and paste each photo into this document.
B. Describe each type of garment the person is wearing.
C. Describe the design details for each garment
D. Submit your assignment.

Part A. Add photos to this document

1. Download this document to your computer or device.
2. Locate three suitable photos.
    - Download a photo, scan from a magazine, or photograph your model.
3. **Save** your images to the device where you downloaded this document.
4. **Insert** your images into the designated spaces below. To do this:
    - Click on the picture icon found in the center of the blue box. This will bring up the option to browse your device and insert the desired image.
    - Adjust the size of each image so you are able to fit your photograph on the page. You may adjust the size by clicking on the image then dragging any corner.

Photo #1	Description
	B. Describe each type of garment the model is wearing. *This might include top, jacket, coat, dress, skirt, pants, etc. If you know the shoe style, include that as well.* Model is wearing a white sweater, a brown dress with 3 tiers and a gold necklace.
	C. Describe each design detail for each garment. *Include a description of the collar, neckline, sleeves, etc.* Sweater is a mock neck with set in half sleeves ending in a bell shape. Dress is a spaghetti strap with a deep scoop neckline. It is high waisted and has 3 short slightly bunched tiers.

Photo #2	Description
	B. Describe each type of garment the model is wearing. *This might include top, jacket, coat, dress, skirt, pants, etc. If you know the shoe style, include that as well.* Model is wearing a white blazer dress with a belt made from the same fabric. Accessories include a pair of sunglasses, gold earrings, a small tan bag with a thin strap, and thin strappy shoes
	C. Describe each design detail for each garment. *Include a description of the collar, neckline, sleeves, etc.* Blazer dress has a deep v-line collar, full set in sleeves and comes to about mid-thigh

Photo #3	Description
	B. Describe each type of garment the model is wearing. *This might include top, jacket, coat, dress, skirt, pants, etc. If you know the shoe style, include that as well.* Model is wearing a cream-colored dress with black accents on the waist and at the hem. The black accent at the waist has a small tie with two tails. Accessories include thick hoop earrings, a silver bracelet, and silver strappy heels
	C. Describe each design detail for each garment. *Include a description of the collar, neckline, sleeves, etc.* The dress has a scoop neckline, set in sleeves that come to just past mid bicep, and an uneven circle skirt.

Part D. Submit the Assignment

After you added all the images and written your descriptions, submit your work. Before submitting, save this assignment as a PDF.

The steps below describe how to do this.

1. With your Microsoft Word document open, click the **File** tab (top left of the screen).
2. **Save** your Word document.
3. Click the **File** tab again.
4. If you have the option to choose **Save as PDF**, select that option and continue to follow the instructions (you will skip step 7 below). If you don't have that option, choose **Save As.**
5. Select the location where you want the file saved.
6. Enter your desired file name. Recommended: Use the actual assignment name so you can readily find the file in the future. Include your name. Use hyphens or underscores to separate words. Example: If your name is Mary Smith, you might use the following to name the file: **W02-DesignDetails-Smith**
7. Change the file type by clicking the dropdown menu in the **Save as type** dropdown. Select **PDF** from the menu.
8. Select **Save**.

Return to I-Learn and submit the PDF to your instructor.

Congratulations! This assignment is an important part of your kit.
